

Corporate Advertising Package

The Sherwood Golf & Country Club is a nine-hole championship golf course located in Sherwood Park, Alberta. The course has been redeveloped into a beautiful and challenging course with large water hazards, white silica sand, and enjoyable greens and scenery throughout the course. Our clubhouse holds up to 120 people and is a comfortable setting for golf tournaments, Christmas parties, watching a game on the big screen, or just enjoying the view on the patio.

The Sherwood Golf & Country Club is releasing Corporate Advertising Packages. The Corporate Advertising Package is designed exclusively for companies to advertise their product or service to over 10,000 prospective clients.
